SUBJECT INDEX

	Page
Abstracts	310,460,671
Abnormal hemostatis in liver disease	348
Acquired platelet dysfunction with eosinophilia	358
Acquired prothrombin complex deficiency in infants	350
Acute massive intravascular hemolysis	338
Advanced in hemophilia	218
Agricultural and industrial pollution on public health	600
Amniotic fluid embolism, report of cases	424
Analyses of microfilarial periodicity data	32
Angiostrongylus cantonensis infection in *Pila ampullacea*	514
Angiostrongylus cantonensis infectivity *in vitro*	164
Angiostrongylus spp. absent in rodents of Sulawesi	147
Antibodies to factor VIII, case report	318
Anticoagulant therapy and its indication	342
Anti-HB_c in Malaysian blood donors	1
Auto-immune thrombocytopenic purpura	353
Bacterial infection, bleeding diathesis	444
Bancroftian filariasis in a Philippine village	51
Benzoyl-peroxide in the treatment of acne	548
Biological effects of nitrogen oxides	604
Bleeding diathesis in tropical diseases	429
Bleeding disorders in obstetrics	407
Bleeding disorders in Jakarta	314
Bleeding manifestations in snake bite	255
Blood components therapy in acquired platelet dysfunction	368
Blood components used in hemophilia	317
Blood donors selection in the Philippines	310
Blood groups of the Thais	209
Blood transfusion problems in Indonesia	312
Buffy coat in dengue hemorrhagic fever	7
Capillaria ova from python faeces	155
Capillary prothrombin time in breast fed infants	469
Carbon-monoxide pollution in Jakarta	610
Cellulitis and hyperfibrinolysis	336
Cerebral malaria, exchange transfusion	389
Childhood ITP, treatment with prednisolone	373
Cholera endemicity in Indonesia	100
Chronic renal failure with platelet dysfunction	470
Chronic respiratory diseases in industries	614
Clinical aspects of bleeding disorders in Jakarta	315
Coagulation abnormalties in erythema nodosum leprosum	373
Coagulation disorders in Malaysia	313
Coagulation studies in Southeast Asian countries	319
Coagulopathy in nephrotic syndrome	398
Comprehensive care of hemophilia	280
Congenital bleeding disorders in Kuala Lumpur	468
COP test for schistosomiasis japonica	23
Culex pipiens fatigans ecology	678
Culex tritaeniorhynchus competence for West Nile virus	498
Cyclophosphamide treatment in immunologic thrombocytopenia purpura	461
Diagnosis of disseminated intravascular coagulation	325
Diagnostic methods for *Trichomonas vaginalis*	81

	Page
Diarrhoea, clinical profile at Ramathibodi Hospital	142
Deficiency of vitamin K	460
Defribination syndrome, natural history	462
Dengue hemorrhagic fever, bleeding diathesis	434
Dengue hemorrhagic fever, hemorrhagic manifestations	466
Dengue hemorrhagic fever, treatment with dipyridamole	385
Dental care in patients with bleeding tendency	298
DIC complicating manual removal of placenta	417
Dimethoate for the control of chiggers	62
Dipyridamole in the treatment of dengue hemorrhagic fever	385
Disseminated intravascular coagulation, pathogenesis	321
Eclampsia, coagulation studies	464
Economic development, and labour health	674
Electron microscopy of Mekong *Schistosoma*	85
Endemicity of cholera in Surabaya, Indonesia	100
Endotoxin by *Tachypleus* lysate test	13
Entomological findings in bancroftian filariasis	51
Environmental impact on human health in Malaysia	581
Environmental impact on human health in Southeast Asia	671
Environmental pollution in Thailand	587
Eosinophilia and acquired platelet dysfunction	358
Epidemiologic studies on schistosomiasis japonica	23
Ergotism in peripheral gangrene	464
Exchange transfusion in cerebral malaria	389
Factor VII deficiency in an Indian family	469
Factor VIII-AHF/AG ratio in malaria	468
Factor VIII inhibitors, history and management	241
Factor VIII in malaria patients	468
Falciparum malaria in Thai children, treatment	132
Fibrinolysis, recent progress	328
Fibrinolytic activity in Thais and American whites	464
Filariasis, immunodiagnosis	486
Fasciolopsiasis, folic acid levels in patients	67
Folic acid binding protein in iron deficiency anaemia	528
Folic acid binding protein in pyrexia	160
Folic acid levels in patients with fasciolopsiasis	67
Gramm-negative infections, *Tachypleus* lysate test	13
Green pit viper bites	251
HB_s Ag in blood donors	467
Health problems from chemicals	661
Helminth eggs from *Python reticulatus*	155
Hemoglobin E and Niemann-pick disease	562
Hemophilia, home therapy	295
Hemophilic osteoarthropathy	467
Hepatitis B virus and hepatocellular carcinoma	621
Hereditary bleeding disorders in Thailand	313
Herpes infection and neonatal hepatic necrosis	403
HLA antibodies in Thai pregnant women	207
Human health and environmental impact	685
Hyperfibrinolysis in a patient with cellulitis	336

	Page
Immunofluorescence test in filariasis	486
Immunologic thrombocytopenic purpura	461
Incidence and side effects of transfusion	184
Incidence of bleeding disorders in Ramon Magsaysay Hospital	467
Industrial development and health in Malaysia	650
Intestinal immunity against *V. cholerae*	73
Intestinal parasitic infection in Laotian refugees	552
Intellectural development of children near battery industry	681
Iron supplementation in pregnant women	520
In vivo and *in vitro* quinine sensitivity of *P. falciparum*	138
Life expectancy in aboriginal Malaysians	106
Malaria, bleeding diathesis	438
Malayan pit viper bites	276
Management of immediate transfusion reactions	199
Management of pseudotumor in hemophiliac	318
Microfilaraemia survey in Vientianne	483
Microfilarial periodicity data analyses	32
Molecular study of defibrination in obstetrics	463
Mutagens and carcinogens, screening method	667
Native alcoholic drugs in APCD syndrome	460
Neurological involvement of hemophilia	282
Niemann-pick disease, a case report	562
Nutritional status in land settlement community	684
Odonate nymphs from Thailand	540
Organophosphorus insecticides in environment	675
Orthopaedic manifestations of hemophilia	280
Parasite fauna of the house rat in Kuala Lumpur	122
Parasites of rodents in Malaysia	115
Pesticide poisoning in Philippine General Hospital	676
Physical changes of the environment and health	634
Pila ampullacea susceptibility to *Angiostrongylus*	514
Platelet defects and evaluation	234
Platelet function studies in 62 cases	358
Prednisolone in treatment of childhood ITP	373
Prednisolone on red cell survival in malaria	127
Problems and management of coagulation disorders	316
Problems in hemophilia in Jakarta	317
Problems in routine pre-transfusion testing	193
Problems of environmental impact of industries	683
Problems of hemorrhage in Chiangmai Hospital	316
Radiation exposure and problems in Indonesia	568
Radioactive fallout in Indonesia	579
Recruitment of blood donors in Thailand	212
Red cell antibodies in donors and patients	204
Red cell survival in malaria	127
Retinoic acid cream in acne vulgaris	548
Role of dentist in management of hemophilia	285
Russells viper and green pit viper bites	251
Salmonella infection in geckos in Bangkok	153

	Page
Schistosoma japonicum-like ova in liver biopsies	97
S. japonicum and *S. incognitum*, heterologous mating	149
Schistosomiasis and water resource development	630
Scrub typhus, vectors and their hosts	510
Serum factor agglutinating human red cells	310
Serum folate in iron deficiency anaemia	528
Snail carbohydrate metabolism in trematode infection	151
Snake bites, clinical manifestations	245
Snake venoms and haemostasis	258
Snake venoms on coagulation	266
Socioeconomic development and environmental perspectives	572
Splenectomy in chronic ITP	462
Summary of acquired bleeding disorders	474
Summary of congenital bleeding disorders	472
Tachypleus lysate test for endotoxin	13
T. activated red cells in blood testing	311
Tertian malaria, hematological parameters	466
Thrombo-embolism in nephrotic syndrome	400
Tinidazole in *Trichomonas vaginalis* infection	556
Transfusion reactions, investigation procedures	191
Transfusion requirements in a general hospital	311
Treatment of bleeding diathesis in tropical diseases	450
Treatment of falciparum malaria in Thai children	132
Trematode infection, changes in snail metabolism	151
Trend of environmental pollution in Japan	592
Trichomonas vaginalis, prevalence in selected groups	162
Tuberculosis as a world wide problem	627
V. cholerae El tor hemolysin purification	18
Vitamin B_{12} binding protein in Vit B_{12} supplementation	158
Vitamin B_{12} level in patients with fasciolopsiasis	67
Vitamin B_{12} supplementation	158
Vector borne disease transmission and ecology	678
Virus from infantile myocarditis	477
Von Willebrand's disease	243
Waterborne parasitic infections after dam construction	656
West Nile virus from *Culex tritaeniorhynchus*	498
Xenopsylla astia on *Bandicota bengalensis*	505
Xenopsylla cheopis on *Bandicota bengalensis*	505
Zinc status in normal Thai infants	534
